

**Kennesaw State University and Dalton State College**  
**TRANSFER ARTICULATION AGREEMENT**  
**Associate of Science in Physics/Pre-Engineering**

This Articulation Agreement is entered into between the Board of Regents of the University System of Georgia by and on behalf of **Kennesaw State University** and the Board of Regents of the University System of Georgia by and on behalf **Dalton State College** to facilitate the process for the transfer of credit between the institutions, continue educational progress toward the completion of an approved degree program, and to minimize or avoid the loss of credit previously earned by a student who transfers to another institution. This Agreement reflects a commitment by both institutions to facilitate the transfer of credits earned in the Associate of Science in Physics/Pre-Engineering at Dalton State College degree into the Bachelor of Science in Engineering Technology program without jeopardizing the intended mission and stated goals of either institution. This Agreement acknowledges that each institution has established, and will maintain, rigorous standards and expectations for all students enrolled in and working toward the completion of its courses, programs, and degrees.

Agreement on Transfer of Associate Degrees

Dalton State College and Kennesaw State University agree to cooperate through a transfer articulation agreement for students attaining an Associate of Science degree in Physics/Pre-Engineering. Kennesaw State University agrees to accept all courses listed in the Appendix A for transfer into Kennesaw State University (required grade of “C” or better). Admission into Kennesaw State University’s Bachelor of Science in Engineering Technology program also requires meeting other non-course program admissions requirements detailed in the Kennesaw State University undergraduate catalog.

Agreement of Communication

Dalton State College and Kennesaw State University agree to cooperate in communicating with each other concerning the articulation relationship between the two institutions. Communications may include common publications and announcements concerning their affiliation. Announcements of this articulation, and of changes in the relationship, will have a coordinated release to the public from both institutions. The institutions will encourage the dissemination of information about programs in this agreement with interested and qualified students, with both institutions providing advising and counseling to prospective students.

The development of this Agreement between Kennesaw State University and Dalton State College signifies that both have confirmed that:

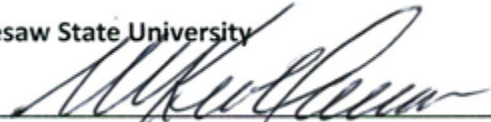

- Each institution is currently in good standing with its state regulatory body and regional accrediting body;
- Credits awarded by the institutions have been evaluated and determined to be eligible for transfer; and
- Credits earned in Dalton State College, Associate of **Science** in Physics/Pre-Engineering have been deemed appropriate and applicable to transfer to Kennesaw State University.

Agreement on Maintenance and Review

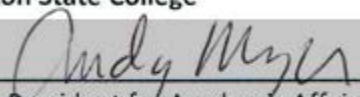

The Kennesaw State University Associate Registrar and the Dalton State College Director of Admissions will act as a primary point of contact and agent for this agreement, to speak for the institution, and to communicate details and modifications to respective faculty, advisors, and others with interest at the individual institutions. Both parties agree to inform the other regarding curriculum changes that may impact the terms of this Agreement.

Any modifications to this agreement must be made in writing and signed by all parties.

This agreement will be in effect for three years from the date of administrative endorsement. Renewal of transfer plans with appropriate content changes will be done on an annual basis. It will be automatically renewed unless one of the parties expresses, in writing, its desire to terminate the agreement giving six months notification with effective date to be the last day of the following term.
