Admission to Kennesaw State University

Completion of the Early Childhood Care and Education Associate of Applied Science Degree Program does not guarantee admission to Kennesaw State University, to any degree program in the Bagwell College of Education, or to any degree program at KSU. Students must meet all KSU admission standards:

Students qualify as transfers if they have earned 30 transferable semester hours or 50 quarter transferable hours of collegiate level course work (this does not include learning
support or technical courses unless the technical courses are SACS-COC approved). Transfer students are strongly encouraged to complete ENGL 1101 and Math 1101 (or higher) prior to transferring to Kennesaw State University. Transfer students must have a minimum cumulative 2.0 GPA to be considered for admission.

Students applying for admissions must complete the application for admissions, pay the application fee, and provide official transcripts from each college/university attended.

Transfer credit evaluations are not done until after the transfer applicant is accepted. All transcripts must be on file for the acceptance decision and prior to evaluation. The Registrar's Office completes the evaluation and the student receives email notification of the completed evaluation. Transfer credits are viewable on Owl Express.

Georgia Northwestern Technical College Articulation Matrix  
JUNE 2012

The following matrix shows courses from Georgia Northwestern Technical College & their equivalents here at KSU by program. Some Courses at the technical school will not transfer due to grade level content coverage, intense field experiences, or advanced status. Due to the way some courses cover content at KSU, there may be a need to complete two courses at the technical college. Additionally, all transfers are contingent upon actual completion of the degree at the technical college. Additionally, there is a policy in place that the final 24 hours of the Bachelor’s degree must be completed at KSU.
